

The Top Ten Reasons Why You Should Choose a Connecticut Community College

- With your associate's degree you can earn \$600,000+ more than a high school graduate over a lifetime.
- You can save over \$30,000 per year on tuition compared with private colleges.
- You can transfer to UConn, the CT State Universities or other fine colleges.
- Community College is near where you live and work.
- Community College is a great place to explore what interests you affordably.
- Teaching is student-centered, with academic support services to help you succeed.
- Flexible class schedules and online courses can fit your busy schedule.
- The 12 CCCs are geared toward their students, and local workforce needs.
- You can select from over 100 programs in areas such as health care, technology, business, manufacturing, arts & sciences, early childhood education, and human services.

Earn credits over the summer!

Scholarships and financial aid are available to those who qualify.
