# Banner Financial Aid New Year System Start-Up Checklist

2006-2007 Award Year

*Education That Works For a Lifetime*

## Financial Aid Services

### Introduction:

To assist you in your preparation for the 2006-2007 financial aid award year, the Banner Financial Aid Team crafted a multi-dimensional approach. Since January, we have carefully reviewed the SCT documentation, release guides, and upgrade guides – both from a functional and technical perspective – to ensure an orderly transition to the new award year. This has been especially important in this, our seventh year of a multi-year financial aid system, given our unique 12 college solution. In preparing the Banner Financial Aid System for the 2006-07 award year, we have systematically and methodically “rolled over” all system shared forms and tables to the new year. We have also “rolled over” all colleges’ unique tables, rules, letters, and processing options to the new 2006-07 year. We have also been careful to apply all our customized solutions to the program software. Through your use of our customized guide, the *Banner Financial Aid New Year System Start-Up Checklist*, you should be well prepared to complete your financial aid system parameters.

As we begin the 2006-07 award year, we are at version 7.4 of the Banner Financial Aid software. This version includes an early release of INAS, the need analysis software of The College Board. Since we do not perform need analysis upon data load, your student need analysis results are “official” CPS results. However, your invoking of need analysis will result in an “estimated FM” calculation. Consequently we suggest you do not invoke need analysis, either individually or in batch processing, until such time as we update the Banner system with the final release of INAS. We will do so immediately upon receipt from SCT/The College Board, hopefully next month. Best wishes as you embark upon the 2006-07 financial aid award year!

### How To Use This Checklist:

The intent of this document is to ensure that all required tables are set up for new financial aid year processing. The relative order of the setup is not necessarily important. The checklist is organized by module for the systematic preparation of new aid year data. Since the Financial Aid Team has already “rolled over” your parameters and rules from the 2005-06 award year to the 2006-07 award year, you must carefully review and modify those items that are aid-year specific, such as dates and descriptions. Of course, you should also feel free to adjust any parameters and rules you determine important to your new year financial aid operations. For general assistance with your college’s 2006-07 Award Year setup, you can contact User Support at 860.244.7802 or e-mail us at [SYS-BannerFinAidHelp@commnet.edu](mailto:SYS-BannerFinAidHelp@commnet.edu). For web development support, you must use our Web Development Request Form. This form is available on the Financial Aid Services web site under the “User Support” link.

**Common Functions Module**

\_\_\_\_ Step 1 **ROAINST** - Institution Financial Aid Options Form

You will see that most of your 2006-07 data on ROAINST has been rolled from 2005-06. Review all tabs/fields on ROAINST, pay particular attention to the following:

**Options Tab**

The **Pivot Date** has been set to March 1, 2006 as a system-wide date for 2006-07 processing to begin. Please remember that once this pivot date arrives, all nightly data load processes will begin.

**COD Full Participant** – Be sure that the Pell indicator remains checked.

**Current Term Code** – Enter your term code for Fall 2006 (1063xx).

**Routing No/Common School ID** – Confirm that your Routing No/Common School ID” is entered correctly in this field.

**Loan Options Tab**

Review all fields.

**Credit Hours Tab**

Update with your Fall 06 (1063xx), Spring 07 (1071xx) and Summer 07 (1072xx) term codes. Be sure to include.... Level (X1), Full-time (12), Three-Quarter Time (9) and Half Time (6) for each term.

**Exclude Course Levels Tab**

This screen should be left blank.

**Defaults Tab**

The JIT/Advance Pay for Pell indicator is checked and the # of Days for JIT Pell processing has been pre-set to 5 on ROAINST.

**Campus/EDE Defaults Tab**

**Routing No/Common School ID** – As you’ve already done on window #2 of ROAINST, enter your “Routing No/Common School ID” number.

**Web Processing Rules Tab**

“Information Access Indicator” - this indicator has been checked to allow your students access to financial aid data via Banner Web.

\_\_\_\_ Step 2 **RTVAPRD** – Aid Period Validation Form

Review aid period codes, descriptions and all percents.

Banner allows only aid period to have a Budget Full Year Percent of 100. This should be assigned to your Fall/Spring Semester. The other 2 term aid periods should have a Budget Full Year Percent of 99.99, 1 term aid periods should have 50 percent.

To ensure accurate Pell processing for Summer 07, be sure that you set the Budget Full Year Pct to 150 for your XFSPSU (Fall, Spring, and Summer) aid period.

\_\_\_\_ Step 3 **RORTPRD** - Aid Period/Term Rules Form

On RORTPRD, you must enter the term codes you want to associate with **each** of your aid periods for the 2006-07 Aid Year. For example, the XFASP Aid Period must have the Fall 06 and Spring 07 entered in the “Aid Period/Term Code Rules” section of RORTPRD.

**Tracking Module**

Your 2005-06 tracking group information has been rolled to the 2006-07 Aid Year. Review all tracking group information as follows:

\_\_\_\_ Step 1 **RTVTGRP** - Requirements Tracking Group Validation Form

RTVTGRP displays the group codes, group descriptions and priority codes for each of your established tracking groups.

**Please remember:** Since RTVTGRP is not an aid year specific form and your existing tracking groups have been used for previous processing, you cannot make changes to these current tracking groups. You can add a new tracking group on RTVTGRP or you can disable a group by deleting the 2006-07 RORRULE for that particular tracking group.

\_\_\_\_ Step 2 **RTVTREQ** – Requirements Tracking Validation Form

All of your established tracking requirements have been rolled to the 2006-07 Aid Year. As with tracking groups, you should not make changes to existing tracking requirements.

**Please note:** In order to accommodate aid-year specific tracking requirements, e.g., verification forms, the SAR Drug Worksheet, etc., we have removed the aid year from the URL statement of these documents. These new URLs are now programmed to point to the correct aid year specific form based upon the aid-year you are working in. This eliminates the need for the creation of new tracking requirements for these documents each year.

As you recall from our “Developing a Web-based Financial Aid System” meetings, the following URLs have been established for “common” tracking requirements that are used by all colleges.

For your convenience, we have posted these documents and URLs to RTVTREQ using the naming convention described below. **Do not make any changes to these requirements on RTVTREQ.**

<u>Code</u>	<u>Tracking Requirement</u> <u>URL</u>
-------------	---

<u>XFDVWS</u>	Federal Dependent Verification Work Sheet <a href="http://www.comnet.edu/finaid/download/X/0607DependentWorksheet.pdf">http://www.comnet.edu/finaid/download/X/0607DependentWorksheet.pdf</a>
---------------	--

<u>XFIVWS</u>	Federal Independent Verification Work Sheet <a href="http://www.comnet.edu/finaid/download/X/0607IndependentWorksheet.pdf">http://www.comnet.edu/finaid/download/X/0607IndependentWorksheet.pdf</a>
---------------	--

<u>XC9005</u>	Drug Conv Elig. <a href="http://www.comnet.edu/finaid/download/X/SARDrugWorksheetcolor.pdf">http://www.comnet.edu/finaid/download/X/SARDrugWorksheetcolor.pdf</a>
---------------	--

As you set up each of your tracking group requirements on RRRGREQ as described below, be sure to include these requirements in the appropriate tracking groups.

**Reminder:** If you have 2006-07 aid year specific tracking requirement forms that you want to enable your students to download, please send us a request via our Web Development Request Form. This form is available on the Financial Aid Services web site under the “User Support” link.

RTVTREQ has been updated with all tracking requirements needed for the batch posting of both C Flag and Reject ISIR conditions. These requirements are in compliance with the Department of Education processing for 2006-07.

\_\_\_\_ Step 3 **RRRGREQ** – Requirements Tracking Group/Requirements Rules Form

Review each tracking group for 2006-07. Be sure to update all of your verification tracking groups to include the new verification worksheet tracking requirements as described above.

\_\_\_\_ Step 4 **RORRULE** – Requirements Tracking Group

All tracking RORRULES have been rolled to 2006-07.

If your 2006-07 tracking groups are the same as past years, you do not have to update tracking RORRULES. However, if any of your tracking rules refer to aid year specific data, you must create new rules for 2006-07. **Do not revise or delete a RORRULE that was used for past processing.**

If you added tracking groups for 2006-07, you must assign a RORRULE to these new groups. Please email [SYS-BannerFinAidHelp@commnet.edu](mailto:SYS-BannerFinAidHelp@commnet.edu) if a new RORRULE is needed. If you have tracking groups that you do not want to use for 2006-07, you must remove the RORRULE of those groups.

Use ROIGRPI (Group Inquiry Form) to verify that each of the tracking groups you will be using for 2006-07 are assigned a RORRULE.

## **Budgeting Module**

Your 2005-06 budget group information has been rolled to the 2006-07 Aid Year. Review all budget group information as follows:

\_\_\_\_ Step 1 **RTVBGRP** - Budget Group Validation Form

RTVBGRP displays the group codes, group descriptions and priority codes for each of your established budget groups.

**Please remember:** Since RTVBGRP is not an aid year specific form and your existing budget groups have been used for previous processing, you cannot make changes to these current budget groups. You can add a new group as needed or you can disable a group by deleting the 2006-07 RORRULE for that particular budget group.

## Financial Aid Services

### \_\_\_\_ Step 2 **RTVCOMP** – Budget Component Validation Form

If you want to add new budget components for the 2006-07 Aid Year, enter component codes, descriptions and print order on RTVCOMP. Review the default indicators which automatically include checked components on every budget.

### \_\_\_\_ Step 3 **RBRGTYP** - Budget Group/Type Rules Form

Review all budget group codes to be sure each group is assigned both a campus-based and a Pell budget.

### \_\_\_\_ Step 4 **RBRCOMP** – Budget Component Rules Form

All budget components and amounts have been rolled to the 2006-07 Aid Year.

**As you build your budgets for the 2006-07 Aid Year, please be sure to use the approved Tuition/Fee schedule for the 2006-07 Academic Year.** You can access this schedule through the following link: [FY2007 Schedule of Tuition and Common Fees](#). This FY07 Tuition & Fee Schedule is also posted on our Financial Aid Services web site under Research & Publications.

As you build your 2006-07 budgets, be sure you have both a campus budget and Pell budget defined for your Fall/Spring period code (100% of Full Year). Banner will automatically adjust budgets for other than full-time aid periods based upon the percentages you have entered on RTVAPRD.

### \_\_\_\_ Step 5 **RORRULE** – Budget Group Assignment

All budget rules have been rolled to the 2006-07 Aid Year. You should review the rule of each budget group for 2006-07. **Do not revise or delete a RORRULE that was used for past processing.**

As you review your budget group assignment RORRULES, you will notice that part of each rule refers to “**rovst06\_resd\_code= Y, N or B**”. Rovst06 is a view of data stored in the Banner Student system and “rovst\_resd\_code” is used to determine a student’s residence. Since rovst07 must be used for the 2006-07 year, you must update these rules as follows: **Change rovst06 to rovst07 on each budget RORRULE for the 2006-07 Aid Year.**

If you added budget groups for 2006-07, you must have a RORRULE assigned to each of these new groups. If you need to add or revise a budget RORRULE for 2006-07 processing, please email [SYS-BannerFinAidHelp@commnet.edu](mailto:SYS-BannerFinAidHelp@commnet.edu) . If you have budget groups defined that you do not want to use for 2006-07, you must remove the RORRULES of those groups.

Use ROIGRPI (Group Inquiry Form) to verify that each of the budget groups you will be using for 2006-07 have been assigned a RORRULE.

**Funds Management Module**

\_\_\_\_ Step 1 **RTVARSC** – Resource Code Validation Form

Review and add resources, if needed, for 2006-07.

\_\_\_\_ Step 2 **RFRBASE** – Fund Base Data Form

Review all funds. Check with your Business Office for a detail code of any new fund(s) you may add for 2006-07.

\_\_\_\_ Step 3 **RFRMGMT** - Funds Management Form

All fund data on RFRMGMT has been rolled to the 2006-07 Aid Year.

**Update the following fields for each of your funds:**

**Fund Tab** – Enter your 2006-07 budget allocated and the over-commitment percent of each fund.

**Packaging Tab** - Review the “Award Min/Award Max” and adjust as desired.

**Disbursement Tab** - Review the Payment Percent of the  $\frac{3}{4}$ ,  $\frac{1}{2}$  and  $< \frac{1}{2}$  loads and make adjustments if desired.

The remaining tabs are optional and most likely will be blank. If you have questions about these, please contact user support.

\_\_\_\_ Step 4 **RFRDEFA** - Default Award & Disbursement Schedule Rules Form

For each 2006-07 aid period, you must enter **award schedule** and **disbursement schedule** information on RFRDEFA. Be sure to consult with your Registrar and Business Office regarding your college’s Disbursement/Refunding/Return of Funds calendar. This calendar will give you the dates you need for the following:

**Award Schedule block** – Perform insert record to populate Term Code and Award Percent as defined on RORTPRD. Add Pell Award Percent and Memo Expiration date for each term.

**Disbursement Schedule block** – Perform insert record to populate Term Code, Disbursement Percent and Disbursement Date and defined on RORTPRD. **Please note: You must revise the Disbursement Date of each term to comply with your campus disbursement schedule.**

## Financial Aid Services

### \_\_\_ Step 5    **RFRASCH** – Fund Award and Disbursement Schedule Rules Form

If you use RFRASCH to set-up disbursement schedules by fund, be sure to enter new dates appropriate for the 2006-07 Aid Year.

### \_\_\_ Step 6    **RORRULE** - Fund Awarding

Fund awarding rules have been rolled from 2005-06 to 2006-07. Review all fund rules. If any of your Fund Awarding RORRULES use residency selection criteria, (e.g., CAP funds to in-state students), update these rules as follows: **rovst06\_resd\_code='Y' to rovst07\_resd\_code='Y'**.

If you need to add or revise a Fund Awarding RORRULE for 2006-07 processing, please email [SYS-BannerFinAidHelp@commnet.edu](mailto:SYS-BannerFinAidHelp@commnet.edu) . **Do not revise or delete a RORRULE that was used for past processing.**

## **Packaging & Disbursement Module**

Your 2006-07 packaging group information has been rolled to the 2006-07 Aid Year. Review all packaging group information as follows:

### \_\_\_ Step 1    **RTVPGRP** – Packaging Group Validation Form

The packaging groups that were used for 2005-06 processing have been rolled to the 2006-07 Aid Year.

**Please note:** Since RTVPGRP is not an aid year specific form and your existing packaging groups have been used for past processing, you must not make changes to these current packaging groups. You can add a new group as needed or you can disable a group by deleting the 2006-07 RORRULE of that particular group.

### \_\_\_ Step 2    **RPROPTS** - Packaging Options Form

Most fields on RPROPTS have been populated through the roll process. Review all packaging options for 2006-07 and update the following:

Enrollment Cut Off Date Rules ( 2<sup>nd</sup> window) - enter term codes, Disbursement Enrollment Options (use “adjusted hours”for each term) and appropriate cut off dates for each term in the 2006-07 AY.

### **Very Important - Pell Options window #3**

It is very important that the **Pell Award Enroll Option, Pell Disburse Enroll Option and Pell ISIR Term** fields remain set as “none” for each term code.

## Financial Aid Services

### \_\_\_\_ Step 3 **RPRPCKR** – Packaging Rules Form

On RPRPCKR, review each packaging group and make changes as needed for 2006-07.

As you know, The Board of Trustees policy is to meet the direct costs of students with financial need. For the 2006-07 Award Year, you should use a minimum direct cost figure for Connecticut residents of \$3672.00. This is based on annual full-time tuition & fees of \$2672.00 and a Books/Supplies allowance of \$1000.00.

### \_\_\_\_ Step 4 **RPRGFND** – Packaging Group Funds Rules Form

Packaging Group Fund Rules that were assigned to packaging groups for past aid years have been rolled to 2006-07.

On RPRGFND for the 2006-07 Aid Year, review/modify packaging group fund rules for each of your packaging groups.

### \_\_\_\_ Step 5 **RORRULE** – Packaging Group Assignment Rules

Review each of your Packaging Group Assignment rules for the 2006-07 Aid Year.

If you have made any changes to your packaging groups, you may need to update the rule for that group. If you need to add or revise a Packaging RORRULE for 2006-07 processing, please email [SYS-BannerFinAidHelp@commnet.edu](mailto:SYS-BannerFinAidHelp@commnet.edu)  
**Do not revise or delete a RORRULE that was used for past processing.**

Use ROIGRPI (Group Inquiry Form) to confirm that each of your 2006-07 packaging groups has a RORRULE defined.

**Loan Module**

\_\_\_\_ Step 1 **RPRLNDA** – Lender/Disbursing Agents Rules Form

Review the lender and disbursing agent information on RPRLNDA.

\_\_\_\_ Step 2 **RPRLOPT** – Loan Options Form

RPRLOPT must be completed for the 2006-07 aid year for each of your loan funds. The values entered here are used as defaults when electronic loan applications are created. Required fields are:

- Initial Loan Status – use “PROC” (in process)
- Default Return ID
- Default Lender ID
- Default Guarantor ID
- Memo Actual Loan, Authorize Loan indicators should be checked.

\_\_\_\_ Step 3 **RPRLPRD** – Loan Period Rules Form

Create loan periods in the following format. In the “Aid Period Rules” section of RPRLPRD, you must associate each loan period with the 2006-07 Aid Year and the appropriate Aid Period. **Remember to replace “X” with your B-M school code.**

Fall06 & Spring07 – XFSP07

Summer07 only – XSU07

Fall06 only – XF06

Spring07 only – XSP07

Fall06/Spring07/Summer07 – XFSS07

Also on RWAPARA, be sure to review your X\_AWARDINFO and X\_SAPINFO documents. As you recall, this information is displayed on the web to give advice and information to your students. Be sure to update these documents as needed.

**Student Employment Module**

\_\_\_\_ Step 1 **RJAPLBD** – Placement Base Data Form

Review all of your job placements and revise as necessary. If you need to add new job placements for 2006-07, you can do so on RJAPLBD.

\_\_\_\_ Step 2 **RJRJOB T** – Job Title Base Data Form

**Please note:** Since RJRJOB T is not an aid year specific form, any changes you make to this form will affect your processing from the date of the change. For example, if you want to increase the default rate of pay for 2006-07 do not update this field on RJRJOB T until the actual increase takes place.

\_\_\_\_ Step 3 **RJRJREQ** – Job Title Requirements Form

If you created new codes/placements on RJRJOB T, you must update RJRJREQ to include any new job codes.
