

RWRXG01 (Connecticut Aid to Public College Students (CAPCS) Report)

RWRXG01 is the end-of-year Connecticut Aid to Public College Students (CAPCS) Report, colloquially known as the CAP Report. This report has been customized in Banner for your submission to the Connecticut Department of Higher Education.

The CAP Report will extract from Banner your grants and earnings paid for the parameter aid year.

Sections III and IV of the CAP Report will require manual entries. Please be sure to review these sections and complete any blank items as needed. When you run this report, please note that parameters 02-05 will separate your CAP funds into the proper categories – grants, employment, community service, and minority grants. As you enter these parameters, be sure to use the **exact fund codes** for each of your CAP funds as you have defined on RFRBASE.

To run the CAP Report, enter the following parameters:

<u>Parameter</u>	<u>Value</u>
01 Aid Year	enter aid year
02 Cap Grant Fund Name	enter fund code from RFRBASE
03 Cap Student Employment Fund	enter fund code from RFRBASE
04 Cap Comm Service Fund Name	enter fund code from RFRBASE
05 Cap Minority Fund Name	enter fund code from RFRBASE

This report will print in a format identical to that of the report template delivered by the Connecticut Department of Higher Education. Information from the Banner CAP Report can then be transferred to the Department's Excel document.
