Financial Aid SYSTEM

Dilbert - March 2000

- “In order to improve customer service, we have decided to discontinue technical support.”

March 2000What's Next?

- Let's review your "to do" list
- Review the Team's plans
- Discuss Banner support & training needs

Your Banner “To Do” List

- Important for you to “take ownership” of your financial aid system
- Complete your 99-00 AY system validation tables & rules in TRNG database
- Import ISIRs through dataload process & test file server connectivity, match process, and group rules and logic

“To Do” List, Continued.....

- Test, test, and test again your 99-00 AY system in the TRNG database
- Review all modules and all tables & rules
- Use rollover scripts to roll your tables & rules to the 2000-01 AY (TRNG)
- Train your staff in TRNG database

“To Do” List, Continued.....

- March 1, 2000 –
PRODUCTION database
available for your use with
latest Banner financial aid
release (3.8.1)
- You may start to “build”
your 2000-01 AY financial
aid system
- Set as a goal a “go live” date
during April 2000

The Team's Plans.....

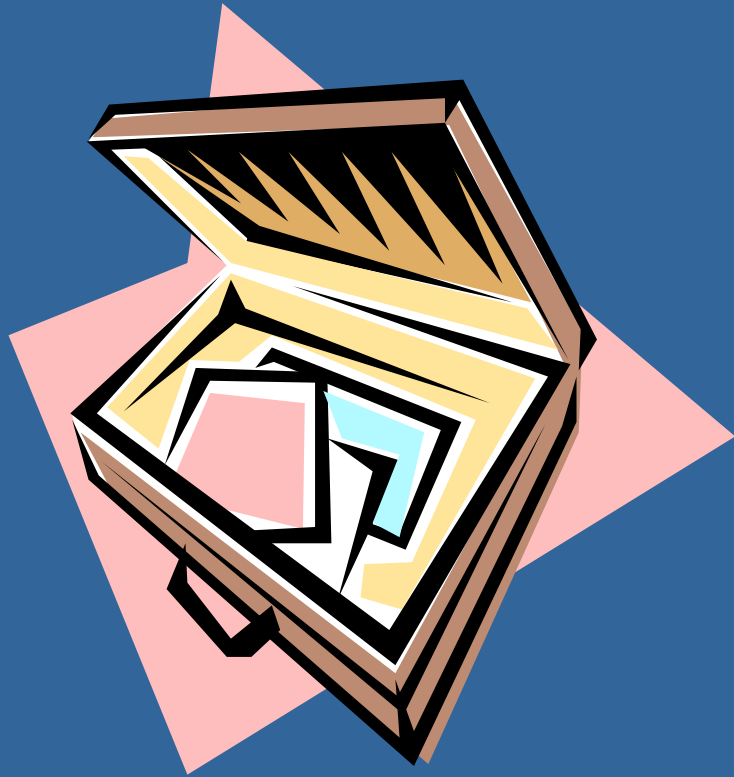

- March 7 meeting to discuss Support & Training plans & schedules
- Attend SCT Summit week of March 20
- Team "To Do" List

Team "To Do" List.....

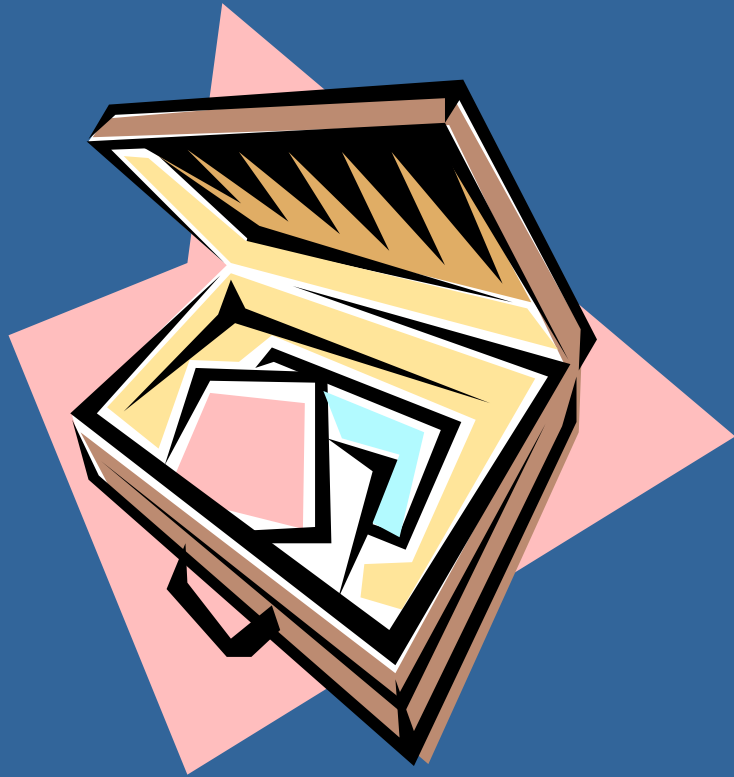

- Review, test, and install new releases, including transition to Banner 4.x
- Continue to prepare and deliver training material – scheduled next is Letter Generation
- Continue discussions, testing, and training with Finance Team
- Prepare and schedule Just-in-Time Training

Team “To Do” List, Continued.....

- Development of reports and extracts for both financial aid and external use
- On-going support of college financial aid operations – help desk, troubleshooting, security, training, etc.

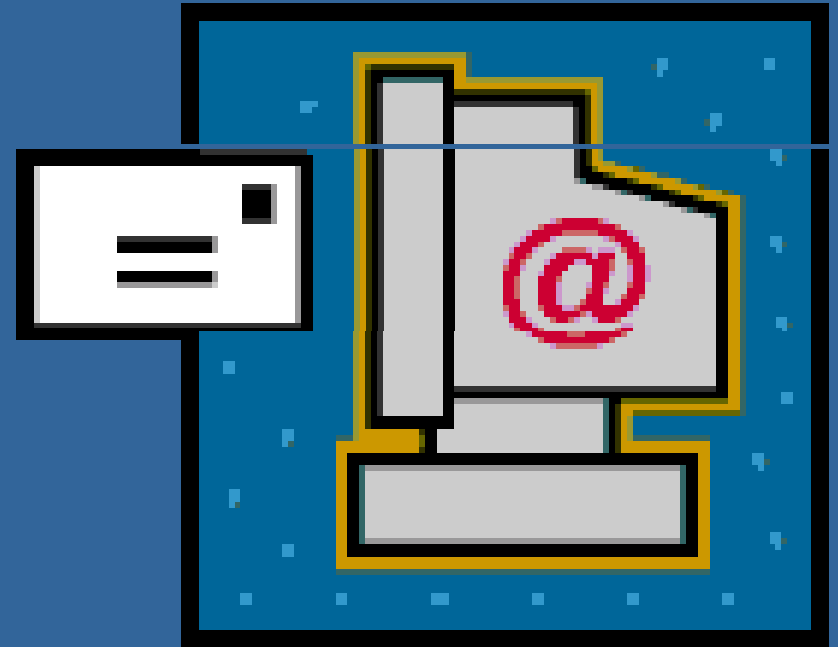

Team "To Do" List, Continued.....

- Work on new initiatives including....
- "Return of T4 Funds" with cross-module team from Student and Finance;
- Automating "satisfactory academic progress" with Financial Aid Council
- Banner Financial Aid on the Web

Banner 2000 Financial Aid System

- College financial aid office support and training needs???
