

## RORFS01 - FISAP Report

RORFS01 is the Banner process/report that produces data for your college's FISAP Report. Banner provides data and back-up documentation for the two grids of the FISAP - Part II, Section F, Information on Eligible Aid Applications and Part VI, Section A, Distribution of Program Recipients and Expenditures by Type of Students. You will enter this data into the electronic FISAP software or FISAP on the Web for submission to the U.S. Department of Education.

For the 2000-2001 award year, please follow the instructions outlined in the "User's Update - FISAP Edition, August 2001" to ensure that FWS funds are reported properly in Banner. Also in this "Update", review our recommendation for reporting non-federal FSEOG expenditures on the FISAP Report.

From Direct Access, enter "RORFS01". This will bring you to the Job Submission Form (GJAPCTL). In the second block of this form, enter your printer. (This report prints in landscape mode - be sure to enter your correct Banner printer.)
