

RPRAWRD - Applicant Award Report

The Applicant Award Report is a detailed report on applicant awards for the current aid year.

The only required parameter for this report is "01 - Aid Year". Parameter "06 - Sort Option" defaults to "1" for Name. Parameter "08 - Term Print Option" defaults to "Y" for print. Parameter "09 - Locked Funds" lists locked awards if "Y", awards not locked if "N", or all. The other parameters are optional and if left blank will produce a report listing all students with all funds.

Since this report is cumulative and gives so much information, it can be very lengthy (200+ pages). If you choose to run this report, be sure your printer is full of paper!

If you want more information about this report, please refer to Chapter 17 "Reports and Processes" in the Banner Financial Aid User Manual.

Sample Output:

25-SEP-2000 15:08:59
