The State of Connecticut Board of Trustees for Connecticut Community-Technical Colleges System (hereinafter referred to as Connecticut Charts-A-Course or (CCAC)) is seeking qualified professionals to act as consultants to assist with any of the following support services:

- **Curriculum development in the area of early childhood education and related fields for CCAC Core Areas of Knowledge;**
- **For-credit college course delivery in the Connecticut Director Credential competency areas:** comprehensive administration and supervision; leadership; budget/fiscal management; personnel management and staff development; and family and community involvement (consultants must document experience and expertise in the early childhood education field and one or more of the above competency areas for consideration); as well as early childhood education courses;
- **Consultative support for the National Association for the Education of Young Children (NAEYC) programs Standards and Accreditation criteria;**
- **Mentoring and Coaching for teachers and directors of early childhood programs and for CCAC approved trainers as part of the Quality Assurance and Improvement System (QAIS);**
- **Observing CCAC approved trainers as part of part of the QAIS for the Training Program in Child Development;**
- **Training expertise in the content areas of adult learning theory, infant & toddler development, inclusive child care, and/or early language and literacy development;**
- **Educational support services for reading, writing and math proficiency;**
- **Child Development Associate (CDA) credential advising;**
- **Development and printing of CCAC public relations materials and**
- **Computer technical and web page support.**

Individuals who have the relevant background and/or credentials, as well as the ability to speak Spanish or another language are strongly encouraged to apply. Individuals should submit a current resume along with cover letter identifying which services they are qualified to provide. Selected Consultant shall begin to provide service immediately and continue through June 30, 2011.

This open Call for Consultants may also be obtained from BOT-CTC website, [www.commnet.edu](http://www.commnet.edu), [www.ctcharts-a-course.org](http://www.ctcharts-a-course.org), or [www.DAS.ct.gov](http://www.DAS.ct.gov). This Call for Consultants is an ongoing search. Deadline for response submission is June 1, 2011 at 2:00pm.

Submissions should be mailed to:
